## Journal Entry (Adjudication Order)

On July 30, 2014, the Interim Director of the Ohio Department of Health proposed to deny the licensure application of Northeast Ohio Women's Center due to violations of Revised Code (R.C.) 3702 and Chapter 3701-83 of the Ohio Administrative Code (OAC) found during its February 3, 2014 licensure inspection.

Pursuant to R.C. Chapter 119, Northeast Ohio Women's Center was afforded the opportunity to request a hearing on the proposed denial within thirty days of the date it received the notice. On August 6, 2014, the Department received Northeast Ohio Women's Center's request for an administrative hearing. On December 9, 2014, Northeast Ohio Women's Center withdrew its hearing request.

In light of the foregoing, I hereby deny the license application of Northeast Ohio Women's Center located at 2127 State Road, Cuyahoga Falls, Ohio.

Any party desiring to appeal this final adjudication order shall file a notice of appeal with the Ohio Department of Health, Office of General Counsel, 246 North High Street, Seventh Floor, Columbus, Ohio 43215, setting forth the order appealed from and stating that the Department's order is not supported by reliable, probative, and substantial evidence and not in accordance with law. The notice of appeal may, but need not, set forth the specific grounds of the party's appeal beyond the statement that the Department's order is not supported by reliable, probative, and substantial evidence and is not in accordance with law. The notice of appeal shall also be filed by the appellant with the court of common pleas of the county in which the place of business of the licensee is located or the county court of common pleas where the licensee resides. In filing a notice of appeal with the Department or court, the notice that is filed may be either the original notice or a copy of the original notice. Such notices of appeal shall be filed within fifteen (15) days after the mailing of the notice of the department's order as provided in R.C. section 119.12.

  
Richard Hodges, MPA  
Director of Health
